- ✓ doors
- ✓ carpeting

D-LEAD® Surface Wipes

- Ready to use surface wipe
- Pre-wetted with D-Lead® Surface Cleaner
- 48 large 12" x 9" wipes fit most towel mop heads
- Meets US EPA wet disposable cleaning cloth definition
- Use for Post-Renovation cleaning verification

D-LEAD® Surface Cleaner Concentrate

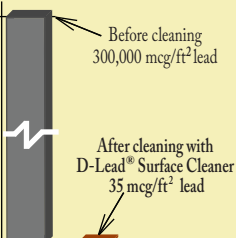

- 1 gallon concentrate
- Dilute with 4 parts water for maximum coverage

D-LEAD® Ready to Use Surface Cleaner

- 32 ounce spray bottle for easy application
- Can be used to re-wet D-Lead® Surface Wipes

Field Test Results on 250 year old window

USEPA Window Weatherization Demonstration Project,
Providence, RI September 2008

WHY D-LEAD®?

Lead is heavy, sticky and holds a static charge making it difficult to remove with general cleaners. The D-Lead® family of surface cleaners are specially formulated to wet and lift lead paint dust reducing post-renovation cleaning time.
